

# Adam in Eden

adapted from Genesis 2:15

Judi A. Lamble

Vayikach Adonai Elohim et ha-adam;  
vayanicheivu v'gan Eiden  
l'ov'dah ul'shom'rah.  
*Adonai took the man,  
and put him into the garden of Eden  
to dress it and to keep it.*  
Adonai planted a garden.  
Adonai grew the Tree of Life.  
Adonai issued a river, then  
placed Adam, created in Adonai's image, in Eden  
to till and tend, to dress and keep, to care for  
His garden.
