Adapted from Genesis 3:6-7:

Woman saw the tree was good
and full of ripe and juicy fruit,
a delight to behold.
The tree bore knowledge of good and evil.
The tree bore wisdom.
She tasted.
She took of the fruit and ate its wisdom,
she tasted knowledge and it was good!
So good.
The fruit, the knowledge, the wisdom.
She tasted.
She shared with another.
They opened their eyes.
